

NATIONAL TOPP MEETING

Crowne Plaza – Atlanta Midtown
590 West Peachtree Street NW
Atlanta, GA

*This is an in person meeting hosted
in connection with the Spring 2023
NOSB Meeting*

Monday, April 24th, 2023
1 pm - 5 pm ET

This meeting is for regional and national organizations participating in USDA's Transition to Organic Partnership Program (TOPP).

The meeting will provide an opportunity to:

- Build relationships with TOPP partners in the Southeast region, as well as national and regional partners from across the country.
- Discuss successful models for mentoring and technical assistance, and how to expand those models to underserved regions.
- Consider strategies to address barriers farmers face in transitioning to organic agriculture.
